

MONTHLY METERED GAS TRANSPORTATION CONTRACT

The undersigned Customer ("Customer") hereby designates WoodRiver Energy LLC ("Agent") as Customer's agent for the purposes of the Gas Transportation Contract or Agreement ("Contract") entered into with the local distribution company, MidAmerican Energy Company ("LDC"). Customer authorizes LDC to accept from Agent nominations and to take other actions regarding Customer's accounts, made by Agent on behalf of Customer for the purposes of the Contract. Customer further authorizes LDC for the purposes of the Contract to provide to Agent usage information, copies of billings, real-time information and such other information relating to the Contract as Agent may request and LDC deems necessary for performance of the Contract.

This Contract shall not relieve Customer of any obligation under the Contract, including but not limited to, the obligation to pay any penalty assessed pursuant to the Contract or any applicable rate schedule of LDC. Customer hereby releases and agrees to protect, defend, indemnify and hold harmless LDC from any and all liability, claims and actions arising from LDC's good faith acceptance of nominations or other instructions from Agent and good faith provision to Agent of usage information, copies of billings and other information relating to the Contract.

Customer agrees to the terms and conditions of the Monthly Metered Transportation ("MMT") tariff service, which is part of the LDC's Natural Gas Tariff, on file with and made effective by applicable public utility regulatory authorities, as may subsequently be amended.

MidAmerican Energy Company reserves the right to determine whether it has capacity available to release capacity for the initial capacity on MMT transportation service for customers who did not give LDC twelve (12) months' notice of their intent to become transporters. In the event LDC determines that it does not have capacity available for a Customer's initial release, sales customers may move to MMT transportation service without the notice requirement.

This Contract shall replace all previous transportation contracts entered into by Customer or on behalf of, and will be effective as of Transport Start Date ("Transport Start Date"), and shall continue in effect month to month thereafter, unless terminated by either party upon thirty (30) days written notice.
