

**Sioux City Community School District  
Executive Summary  
Edgenuity Annual License  
August 9, 2021**

**Purpose:**

To approve the annual license payment for Edgenuity.

**Explanation:**

**Contact: Dr. Kim Buryanek (712) 279-6083**

Edgenuity provides flexible, online courses and curriculum to high school students in our at-risk programs, such as School Within a School and the Alternative School. We are renewing our five-year agreement with Edgenuity and are billed annually for the license. The annual cost has been \$78,000 each year. The new contract is for \$73,000 each year, which includes a site license for each of the three high schools.

**Strategic Plan Priority Area:**

Provide Relevant, Rigorous and Innovative Academics

**Impact on Student Achievement:**

Edgenuity allows us to personalize education for at-risk students. The online courses allow flexibility for students to complete courses. More at-risk students are able to graduate from high school because we use Edgenuity.

**Funding Source:**

At-Risk

**Recommendation:**

That the Board approves the annual license payment for Edgenuity in the amount of \$73,000.
